## **Bursaries for Coaches in Cambridgeshire**

Coaching is a challenging and enormously rewarding role within our game. Players need expertise, support and passion at every level of their development. At Cambridgeshire Cricket we believe that anyone should be able to become a coach regardless of background or ethnicity.

Whether you are putting something back into the game you love, progressing your career, helping at a local club, or simply providing more support to your child, there is a reason for everyone to get involved in cricket coaching.

If you or someone you know is thinking of joining the coaching family click [here](#) to find out which programme is right for you.

Bursaries funded by the generous support of the England and Wales Cricket Trust are intended to increase the diversity of learners taking their first step into coaching, gaining a qualification or taking the next step on their coach development journey.

- ✓ Potential coaches/coaches that are female
- ✓ Potential coaches/coaches from ethnically diverse communities
- ✓ Potential coaches/coaches with a disability
